

# Community Involvement in 2025

As a locally-owned community bank, giving back to the communities we serve is an important part of the West Gate Bank® mission.

## Junior Achievement

19 volunteers taught 25 classes from K-12.

## In-School West Gate Bank Branches

We operated two 'In-School' branches with local elementary schools, Wysong and Lakeview Elementary. This effort is to teach students the habits of saving.

## Give to Lincoln Day

As Presenting Sponsor, our contribution to Give to Lincoln Day was used as part of the match pool to provide additional funds to nonprofits. Bank volunteers helped to collect donations at Tower Square and at all Lincoln branches.

## Tabitha Meals on Wheels

In 2025, two West Gate Bank volunteers delivered meals twice per month for a total of nearly 250 hot, fresh meals to clients.

## Donation Drives

We held collection drives in our branches with the REALTORS Association of Lincoln for their annual sock drive in February, a backpack drive for Salvation Army in July, a food drive for Open Door Mission in November and holiday toy drives for Visionary Youth, People's City Mission and Northeast Family Center.

## Brush Up

In August, a team of volunteers painted a home for a qualified low-income senior in the Omaha Metropolitan area. The event is put on each year by HomeWoven, and West Gate Bank has been participating since 2021.

## United Way

- \$21,130 in employee pledges
- Campaign total of \$31,130 with corporate contribution

## Civic Involvement

Our 200+ employees have contributed over 4,600 hours of time outside of work toward various community organizations they support.

We had 34 employees serve 42 different organizations (44 positions total).

Our interest is you
